

REMARKS

Applicants request reconsideration of the present application in view of this Amendment, filed in response to the Office Action mailed October 12, 2004 imposing a restriction requirement. This Amendment cancels all pending claims and adds new claims 21-28, all drawn to the subject matter of Group III (canceled claims 18-20).

The title is amended to more clearly specify the subject matter of new claims 21-28.

The entire Summary section, which, as originally filed, was mainly directed to the subject matter of Groups I and II, is deleted. It is replaced with a new Summary section that is directed to the subject matter of Group III.

The entire Abstract, which, as originally filed, was directed to the subject matter of canceled independent claim 1, is deleted. It is replaced with a new Abstract that is directed to the subject matter of new independent claim 21.

Applicants respectfully submit that the application is now in condition for allowance, and allowance is requested.

Respectfully submitted,

*Mitchell Rose*
